OK. I sent you an email this morning about

health insurance, daughter's medical test bill, work plans.

I should be able to accomodate your requests below.

I'll write emails sporadically today between rests.

Adil

Adil,

Plan to attend the following meetings this week with me: these meetings take priority over anything else you do this week.

Tuesday November 11, 2008 - ESM at 2 pm ET. Call In Information sent to you.

Wednesday November 12, 2008 - Board Call at 1pm ET for 3<sup>rd</sup> qtr audlt approval. Call In Information sent to you.

Friday November 14, 2008 -- In Virginia Office for your Sales Plan Presentation [reschedule] at 10 AM ET.

I tried reaching you via email and phone last Thursday and Friday without response. I hope you are feeling better.

See you on Friday.
